Fall Semester
1981

ZBT

etcetera

1981

*Bob's loyal fan
club*

You da man!

*1:00 is really
too early for
baseball*

This bud's for us

*Looking
forward to an
exciting FUBAR
with ZTA*

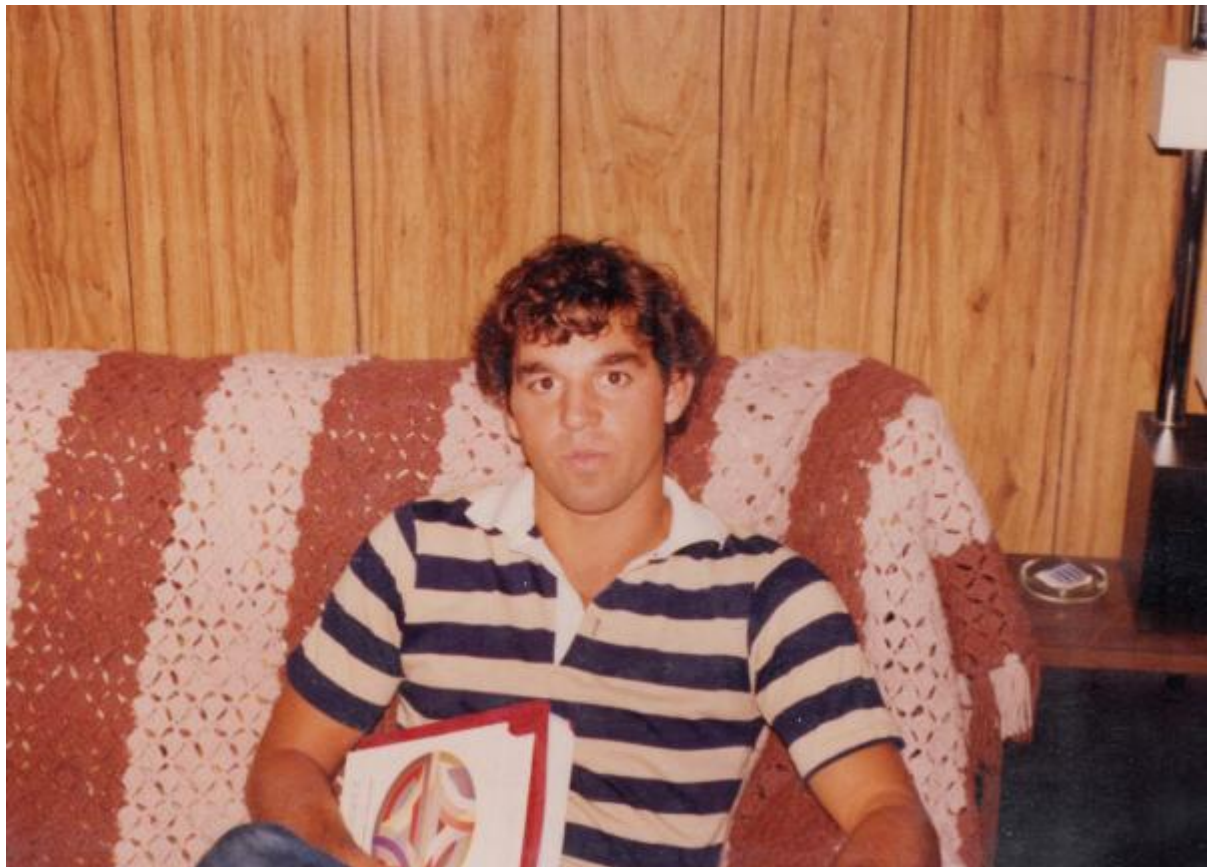

*Who wouldn't
pledge a house
like ZBT?*

*There should be
more brothers
present to take
advantage of all
the pledges*

*Before: Angelo
with his only fox*

*After: Angelo's
sad because his
fox left him*

*So he went out
and got wasted*

*Joe's definitely
in the running
for the Golden
Pillow*

*Now let's see
you make him
say "sutt" while
chugging a beer
Cobb*

*The little sisters
show Dino their
redecorating
skills*

Whitey dropped by to check on his bid-day beers – because he didn't get a chance to last semester

Jeff's not sure whether he has enough for the house meeting

*Cobb or cutton
and Bob or
button doing
nutton or
sutton*

*Wait, who's
taking a break
from partying
to do some
studying?*

*You can tell
Tom is really
enjoying himself*

"Oh sure!"

*Theme –
probably
putting on some
lousy new wave
music.*

*Wait, who has
an ugly door?*

*Mush always
makes sure
she's
comfortable at
the hood*

*One wonders
why Doug's
hand can't be
seen after
seeing the
expression on
his face*

*Lips wailing on
rocks!*

*Looks like
Theme would
rather attempt
to play foosball
than converse
with Doug*

*Who's working
out with his left
arm tonight?*

Either Buck becomes sweetheart at ZTA tonight or we wail out "tit" song at the girls

Murray lifts his head to ensure he makes it into the picture

Ronnie W.

*Ronnie
assuming the
position*

*Danny and Burg
argue whether
to have grilled
cheese or hot
dogs on
Mondays*

*TV wishing he
could still come
out and kick
some ass in
football*

*Who looks like
Fred Flintstone?*

*I keep
forgetting!*

*Some poor girl
on the other
end that has to
deal with Greg's
"rap"*

*Minutes after
FF told Eva
Krebbs we'd
abide by school
rules, security
was ticketing
his car*

*Apparently LJ
doesn't find
Jud's rap as
humorous as
Cobb*

*The Eagles must
have scored
again*

*Syl showing the
pledges how
the game is
played*

This good looking character must be a product of ZBT

If security caught Sue with this beer, guess where Lake House II would be?

Andy was so eager to play football again, so we let him officiate the game

Wait, who looks like he has a beer belly? I keep forgetting.

*Rickster parting
up a storm*

*Who's got the
sexy legs behind
Joe?*

*Cobb's a true
baseball fan*

*Rick pours
himself a throat
lozenger*

*Leo drops by
and he's right
back in action*

*When Joe's
wasted, he'll
grab onto
anyone*

*Pledges don't
know what's
going on*

*Chachi finds
great pleasure
in a watching
Greg beat the
pledges*

*What makes
these boys need
food so badly?*

*With this small
a turnout on the
beach, it's
either raining or
the weekend*

*The best thing
for a Friday
night hangover
is a Saturday
morning
baseball game*

*Here's Glen
working out
again – the
pushup position*

*You've never
seen all these
people so posed
and quiet*

*Until the
photographer
asked them all
to say "Sutton"*

*Themes and
Chachi.....or
Mark and Steve*

The best pledge class

The roster....

T-shirts to boot

*Stealing some
of Bobby's cake*

The pledges finally enjoyed a meeting – mud football against the brothers

Joe decide to put his arms down for a change

The rooms....

ZBT

Dated Rush - Hilton
1981

*Anyone not in
the picture is
probably
outside
“warming” up*

*Theme, Chach
and Pods
prepare to
shows us some
dance moves*

*Chachi's
checking out
Bob's dance
moves*

*Must be early in
the evening –
Fran's still on
his feet*

*Wait – who's
with whom?*

*With these
guilty faces, I
wonder what
they're doing to
the table*

*Steve's date has
been doing a
number on his
neck*

*Chach likes to
roll 'em big*

*Danny uses his
werewolf glaze
to hypnotize the
woman*

*Who's holding
up whom?*

*Susan at work,
rolling down
JoJo's zipper*

*Jeff looks like
his putting on
one heck of a
rap*

*Pods telling the
wife a thing or
two*

*One of our most
charming
couples*

*Tom just told
his date that he
only weighs
120lbs*

*Another
handsome
couple*

*Who got a
picture of
Theme's best
side?*

*Charlie making
his move on
whose date?*

*Somebody just
asked Cindy if
Jimbo was
wasted*

*Andy's always
up to something
devilish and
Syl's always.....*

*Somebody just
asked these
guys "who's the
best looking"?*

*Somebody looks
more wasted
than the other
here*

*Mr. and Mrs.
Pods take a
drinking break*

The best looking couple

*The Band
"Traveler"
keeps the place
hopping*

*Jeff's blood to
alcohol level
has risen to that
critical level*

*Who's going to
have fun with
the cops later
on?*

*How come the
other couple
isn't drinking?*

*Cobb's taking
this too serious*

*President and
VP trying to
calm the crowd
down*

*Looks like Clare
has everything
well in hand*

*Glen doesn't
look like he
could stand on
his own*

*All Kevin could
do tonight was
drink - bummer!*

*Looks like Ray
sat down to
have a snack*
