ZBT, ZTA take Week

By LAURA KENNEALLY
As Greek Week came to a close last night, judges awarded Zeta Beta Tau Fraternity and Zeta Tau Alpha Sorority first place for their skit, assuring the team's capturing first place overall with a total score of 970 points.

Phi Sigma Epsilon Fraternity and Delta Zeta Sorority took second place overall with 840 points, the team of Phi Kappa Psi Fraternity and Alpha Zeta Delta Sorority followed close behind with 825 points and Theta Chi Fraternity and Delta Phi Epsilon Sorority came in last with 525 points.

ZBT and ZTA performed their rendition of "Dynasty," depicting a situation where

Fallon's mother Alexis, tried to keep Fallon from joining a sorority, but Greek sisterhood prevailed and saved Fallon from embarrassment.

PSE and DZ presented a version of "Dallas" where JR changed his low opinion of the Greeks and decided to join them.

"General Hospital" was performed by PKP and AXD where Rick and Leslie tried to discourage Laura from joining a sorority. The skit mocked the Rider Security system when Leslie and Rick tried to go through the kiosk looking for Laura.

TC and DPE performed "Soap" with ventiloquist Chuck and dummy Bob smoking the same cigarette. They worked as a team with

Bob inhaling and Chuck exhaling. Burt, unable to deal with the pressures of a fraternity party, became invisible.

In addition to the skits, each fraternity and sorority sang its house song.

After the skits, the awards ceremony was held. PSE won the Most Athletic Award and Community Service Award. The Scholarship Award was presented to PKP.

Two awards were given to Donna Reiser and Debbie Gelotti for achieving a 4.0 cumulative average. Barbara Palloto received an award for most outstanding academically and socially.

The Interfraternity Council named Joan Sauerwein its sweetheart, while the Pan-

hellenic Council gave its awards to last year's sweetheart, Lenny Garrity, and its new sweetheart, Gary Simko. work in organizing Greek Awards were also given to Week.
